reads in part:

- 1.1** Athletic competitions will *not* be scheduled during final exam periods. The final exam period is defined as beginning one day prior to the first day of scheduled final exams through the last day of final exams. The published dates posted by the Registrar's Office will be used to determine the final exam period. Additionally, the two calendar days prior to the beginning of this scheduling blackout period may be used only for the scheduling of home contests. The calendar date following the blackout period may be used for a home contest or used as a travel day. Travel on the last day of finals is permitted, provided departure is no sooner than one-hour after the scheduled end of the last exam of the last student to finish final exams...
